In the event of severe weather (snow or ice, windstorms, etc.) these practices will be rescheduled. Any changes will be listed on the home page of our web site.

\*\* Dogs that are aggressive towards people or dogs should not participate in these events without specific guidance from their primary instructor. All dogs must be on leash or long line and under control at all times. These sessions are intended for training practice.

A note regarding children: All family members are invited to attend these practice sessions, but children must be supervised and well-mannered at all times -- just as they are in regular classes. (Not all dogs are comfortable around children, so this is for everyone's benefit. Thanks for your cooperation!)
