

Skill & Class Specific Private Lesson Questionnaire for Performance Students

Please PRINT legibly. (Rev. 09102016)

DO NOT USE THIS FORM IF YOU ARE LOOKING FOR A PRIVATE LESSON TO DEAL WITH THESE ISSUES: Housebreaking, crate training, basic home obedience skills, behavior problems, aggression and/or anxiety problems.

Use this form to schedule a lesson for performance class skills (competition obedience, agility, breed ring, therapy dog, etc.). However, if you or your instructor believes that a more complete background and history might be beneficial, he or she may ask you to complete the longer form.

SCHEDULING YOUR SKILL-SPECIFIC AND/OR CLASS-SPECIFIC PRIVATE LESSON, THE COST, ETC.:

At this time we are only doing in-facility private lessons. We find that lessons done away from the dog's home (in our facility) are actually more effective than in-home lessons. (If we find that an in-home or field-trip lesson is a beneficial next step, we will talk to you about that when we meet with you.)

The cost for an in-facility skill-specific and/or class-specific private lesson ranges from \$75 to \$95 depending on the instructor and material to be covered in the lesson. We will advise you of the exact cost when we get back to you to schedule the lesson. Payment will be due at the time of the lesson. We accept cash, checks, Visa, MasterCard and Discover.

The average private lesson lasts approximately one hour. Our staff spends time prior to the lesson reviewing your background information and performing any necessary research. After the private lesson you will be given homework. Your instructor will follow up with you via email after he or she receives your homework. This follow-up will make sure you're on track and seeing the progress that your instructor anticipated.

After we receive and review your form we will contact you to arrange the lesson and tell you who you will be meeting with.

Please give us an idea of your schedule and availability to meet with us. What are the best day(s) and time(s) for you? (Give us several to choose from.)

Please be prepared to take notes during your lesson. Your instructor will bring you printed reference material and handouts, but most people find it helpful to take notes as a lot of information will be covered in a relatively short period of time. If you have a video camera, bring it along and let the instructor know at the beginning of the lesson.

A private lesson is similar to a doctor's prescription. Your instructor will give you specific instructions to achieve your goals; however, it is up to you to follow through with the recommendations.

Please contact us if you have questions. If you need to reschedule or cancel this private lesson, please give us 24 hours advance notice.

PLEASE READ & SIGN THE FOLLOWING PRIVATE LESSON AGREEMENT:

I understand that private lessons must be cancelled a minimum of 24 hours in advance or I will be charged the full amount of the scheduled lesson. Returned or NSF checks are subject to a \$30 bank processing fee. Declined credit cards are subject to a \$30 late payment fee.

I agree to indemnify and hold harmless Kathy Lang Dog Training Services, Inc., The Family Dog Training Center, and its owners, board of directors, officers, agents, employees, instructors, and staff members, from any and all claims, demands, actions, causes of action or liability of any kind whatsoever, for death, personal injury or property damage in any way proximately caused by myself, my family members, my friends and/or any animal belonging to, or brought onto the premises by myself or any member of my family or my assigns. I further agree, on behalf of myself, my family and my assigns, to assume complete and sole responsibility for any and all actions of any animal belonging to, or brought onto the premises by myself, any member of my family or my agents or assigns.
